

# Pyjammin' with Literacy and Numeracy at Sheridan Park

On **Thursday, January 27<sup>th</sup>** from **6:15-7:30 pm** the Kindergarten to Grade 3 teachers will be holding a Family Curriculum Night at the school. Students and siblings accompanied by parents are invited to our giant pyjama party where we will tell stories, play word games, surf the net and have a bedtime snack. So come in your pyjamas, bring your favourite stuffed animal and join us for some fun. There will be a free book for each family that attends.

Please return the bottom portion of the note by **Monday, January 24<sup>th</sup>** so that we will know how many families are attending. We will also be having some door prizes that evening. You must pre-register to be eligible for the door prizes, so get your reply in.

*The Scholastic Book Fair will be located on the stage.*
