

Blue Cheer

(doe a deer song)

Blue the stuff that we're made of.

Blue the sky that's up above.

Blue the water that we swim in.

Blue the team that always wins.
(Yeah, Yeah, Yeah)

Blue the best primary colour.

Blue, wouldn't want to be any other.

Blue, we love being blue.

And that brings us back to
BLUE, BLUE, BLUE, BLUE, BLUE
