

Dalewood French Immersion Information Night

On Tuesday, February 15, 2011 at 7:00 p.m., Dalewood will be presenting its annual French Immersion Information Evening for grade 6 students and their parents. The Late Entry French Immersion Program offers an excellent opportunity for students to study in Canada's two official languages and we encourage students and parents to carefully consider this program option for their child. A number of our grade 7 & 8 students will be presenting and will give the potential new students a glimpse of the program in action. More information is available on our board's website (www.dsbn.org), under the **Parent** heading and selecting ***French and International Languages***.
