January, 2010

Happy New Years! Wishing you good tidings in the New Year from the PITCH-IN Team!

The month of January is a perfect time of year to start fresh and new! Often This includes a new cell phone gifted during the holidays. This month, have your collection spots set up in high profile locatrions and have a collection drive throughout the month of January. Be sure to let your neighbours and family members know where they can safely recycle their old phones!!!
