Free Dental Screening Coming to Your School

A Public Health registered dental hygienist is scheduled to visit our school January 17 and 18, 2011 to assess students in grades JK, SK, 2, 4, 6, 8.

During this time the registered dental hygienist will perform a visual assessment of each child to determine his/her dental needs. Parents will be contacted if their child requires immediate dental care. Public Health dental programs may financially assist children who do not have access to required dental care. If your child is not in one of the targeted grades and you would like him/her to take part, please call the Public Health dental program at 905-688-8248 ext. 7399 or 1-888-505-6074 ext. 7188 or email dental@niagararegion.ca.
