

Let's Go Skating

SHERIDAN PARK SCHOOL

Dear Parents:

This year, we have arranged for our students to go skating at **Bill Burgoyne Arena**. Primary and Junior classes will go 3 times. Intermediates will attend once. A schedule of when your son/daughter will go is printed on the back of this page. In order to offset the cost of ice rental we are asking that Intermediate students bring in \$1.00 and Primary and Junior students bring \$3.00. This fee will help to cover all skating sessions. The remainder of the costs will be subsidized by fundraising profits from the school and School Council.

For an activity such as this, several things must be considered.

- (1) **If a student does not have skates, perhaps a pair could be borrowed from another family member or friend prior to that day. We do have *some* skates at the school but selection is limited. If you have skates at home that your children have outgrown we would welcome contributions to our skate bank- (See Ms. Osborne)**
- (2) **Use of a helmet is MANDATORY for ALL STUDENTS**
- (3) **Please make sure a name is on each skate.**
- (4) **Please send your son/daughter to school dressed appropriately on his/her skating days. Wearing gloves to give their hands some degree of protection is advisable.**
- (5) **If you are available to accompany the classes on any of these occasions, we would very much appreciate the help. There are always a number of students who will need help putting on skates and skating. Any assistance you can give would be greatly appreciated. You are welcome to walk with us or to meet us at the arena. You are also more than welcome to skate with the students.**
