

After School Homework / Math Club

Dear Parents / Guardians:

Here, at Sheridan Park we are committed to assisting students achieve success in many ways. In keeping with our philosophy we are offering an after school Homework / Math Club on Tuesdays (Junior / Gr.4-6) and Thursdays (Intermediates / Gr. 7-8) beginning on September 28th until December 16th. Through funds provided by the "BASIC" After School Program I, Miss Sandy Derstine, EA, am delighted to run this program in order to assist your child in meeting her/his goals.

This after school Homework / Math Club is a voluntary after school program available to students who would like a quiet environment to work. This student directed opportunity enables all students to access school resources and work quietly on homework, assignments and projects of her/his choosing. This atmosphere is designed to encourage good study habits and organization. Students in grades 4-6 who choose to participate will meet in the Resource Room #24 at 3:20pm on Tuesdays and students in grades 7-8 will meet at the same time and location on Thursdays. During this time snacks will be provided and donated healthy snacks/drink boxes are graciously received, but are certainly not required for participation. Following, students will be dismissed from the side primary entrance at 4:20pm.
