Dear Parents/Guardians,

As the new school year quickly approaches, this is just a short note to welcome your child(ren) and you to Sheridan Park school. Due to issues of confidentiality, staff changes and student enrollment, class placements will be confirmed on the first day of school.

School begins at 8:45 on Tuesday, September 7th and students are requested to go to their respective playgrounds, primary and junior students to the area behind the school and Grade 7 and 8 students to their area on the hill. Teachers will be there to welcome your children and see them safely to their classrooms when the bell rings. An assembly will be held to provide everyone with the opportunity to get properly acquainted.

If you have any questions about opening day procedures or have not, as yet, had an opportunity to see the school, please give us a call (905-937- 0510) between Monday August 30th and Thursday, September 2nd.

A newsletter will be sent out on the first day of school and a package containing a great deal of information vital to getting a good start to a new school year. **The newsletters and monthly calendars and other important information is posted online.** It will include all bell times and permission form that must be completed if students will be staying for lunch.

The following are a few important dates that you may want to know about as soon as possible to mark on your calendars now. (More information in newsletter supplement attached)

Please let us know if you are interested in volunteering.

The staff of Sheridan Park is very much looking forward to meeting you and working with you during the upcoming school year.

Sincerely,

JoAnna Roberto Principal
