

Woodend

We need your help...

The Woodend Outdoor Education Centre is a very special and unique setting, nestled on the Niagara Escarpment, for the staff and students of the DSBN. Over 10,000 students experience and learn from nature first hand on field trips to Woodend each year. Over the past year a new vision has developed which will see the current facilities transformed to create an environment that will empower all students, through exploration and discovery, to develop a connection to the earth and understand their responsibility and impact on it.

At this time we are asking for the help and support of DSBN staff, students, parents and the community by voting in the Aviva Community Fund Grant for the "Woodend Living Campus".

Follow the steps below and get ready to start voting for the DSBN "Woodend Living Campus" on Monday, November 15th.

1. Please register on-line:

<https://www.avivacommunityfund.org/users/registration>

2. Confirm your registration with the email sent to you.

3. Vote every day, from November 15 - 26.

Being awarded this grant would make a huge impact on the project, and the students of the DSBN, so get ready to vote once a day, every day!

Thanks for your supporttogether we can make the vision of the DSBN Woodend Living Campus a reality.

Vote for the DSBN Woodend Living Campus!

...a new beginning
