

February 22, 2011

Congratulations! Your son/daughter's team has qualified for the DSBN Lego Robotics finals at the School Support Services building (the former Niagara District Secondary School) on Wednesday Feb. 23. They will now compete against the top finishers from the other qualifying competitions. The top 3 finishers from the DSBN finals will be awarded medals and the top overall team will also earn the right to represent the DSBN at the Skills Ontario competition.

We will be leaving Sheridan Park at 9 am. The competition runs from 9:45 - 2 pm, with the final results being announced at 2:20 pm. Please sign the following section, giving your child permission to be driven by myself to and from school. Please return the bottom section to Sheridan Park tomorrow. Thank you for your attention to this matter.

Sincerely,

Mrs. Laurie Janzen

My child, _____ (name), has my permission to drive with Mrs. Janzen to the DSBN Lego Robotics Challenge finals on Wednesday, February 23, 2011.

Signed, _____
